- Modularity

Your climate. We're there

# NIM PC - A/C Supervision System

**NIM PC is a system which, through a PC, acts as a Global Control Hub for both controlling and monitoring an air conditioning installation.**

**Controlling:** settings can be set from PC and send out to the system for execution.

**Monitoring:** a graphical user interface displays the status of each unit.

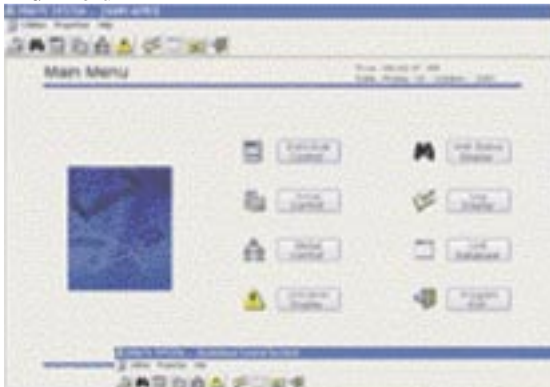

## Computer requirements

- IBM PC (or 100% compatible) Pentium Based machine
- Min. 166 MHz with 32 MB RAM
- VGA Video Adapter
- Hard Disk Drive - 50 MB free space
- CD-ROM Drive
- Microsoft® Windows 95/98/2000/ME/XP
